

**The Board of Directors of Alexandra District Health
invite you to attend our**

2019-2020 Annual General Meeting

Thursday 25th February 2021 at 5pm

Alexandra District Health, 12 Cooper St, Alexandra

**With Guest Speaker, Professor Paul Van Buynder
“Coronavirus, last year, now and moving forward”**

Prof. Van Buynder is a Public Health Physician and a Professor at Griffith University in the School of Medicine, with a focus on vaccinology. He has worked in senior health positions in a number of Australian states, in Canada and in the Centre for Infections in London managing respiratory disease programs for the United Kingdom.

His research interests are in new vaccines and vaccine hesitancy. He is the author of over 70 book chapters and refereed journal articles.

He consulted to Ambulance Victoria and a number of other emergency services and Government departments during the COVID waves.

**Our AGM will be an outdoor COVID safe event and numbers
will be strictly limited. Attendance is by RSVP only.**
