

Referring to ADH Primary Health (Outpatient) Services

Alexandra District Health offers a range of nursing and allied health services to Murrindindi Shire residents through our Primary Health Service. These services include;

- Physiotherapy (excluding TAC and Workcover)
- Occupational Therapy (Adult and Paediatric)
- Dietetics
- Speech Pathology (Adult and Paediatric)
- Diabetes Education
- District Nursing
- Continence Nursing
- Cardiac Rehabilitation
- Pulmonary Rehabilitation
- Social Work
- Counselling/Psychology (Adult and Paediatric)

Note: All of the above provide outpatient services with additional home based services provided by District Nursing, Physiotherapy, Dietetics and Occupational Therapy via the Commonwealth Home Support Programme and HACC Program for Younger People Programs where appropriate.

How to refer?

Referrals can be emailed to ADHIntake@adh.org.au or fax 03 5772 1094

When referring please provide the following information;
